Organization Statement

Odyssey House is a nonprofit organization dedicated to supporting individuals and families in their recovery from substance use disorders through comprehensive treatment, education, and supportive services. The Family Center provides a residential treatment environment where mothers can focus on their recovery while remaining with their children.

The Odyssey House Daycare Center is a licensed early childhood education program that provides a safe, nurturing, and developmentally appropriate learning environment for children ages six weeks through five years. The program promotes children's social, emotional, physical, and cognitive development through meaningful play, exploration, and positive relationships.

Through a two-generation approach, the daycare center supports both children and their mothers by promoting healthy parent-child relationships, modeling positive interactions, and empowering mothers to develop their parenting skills, confidence, and independence while navigating their recovery journey.

Job Description

The Assistant Teacher supports the Group Teacher in providing a safe, nurturing, and developmentally appropriate learning environment for infants, toddlers, and preschool-aged children.
