Organization Statement

VHG Group operates a growing network of early childhood language schools across New York City, serving diverse communities through immersive bilingual education. With locations in Manhattan and Brooklyn, VHG Group fosters a culturally rich environment where children develop curiosity, confidence, and global awareness.

Job Description

VHG Group is seeking a dedicated and passionate Early Childhood Preschool Teacher to join its bilingual (French-English) preschool program in Dumbo, Brooklyn. The preschool serves children ages 3 months to 5 years in a nurturing, inclusive, and academically stimulating environment.

The Teacher will be responsible for creating and maintaining a warm, supportive classroom that encourages curiosity, independence, and a love of learning. This role involves designing and implementing developmentally appropriate lesson plans, fostering bilingual language development, and partnering closely with families to support each child's growth.

The ideal candidate is an enthusiastic educator who values cultural diversity, strong communication with families, and collaboration with colleagues to create a high-quality early childhood experience.

Responsibilities

- Lead and manage a classroom of preschool-aged children in a safe, nurturing, and structured environment.
- Develop and implement lesson plans that align with early childhood education standards and promote social, emotional, cognitive, and physical development.
- Foster bilingual (French-English) language development through interactive and engaging classroom activities.
- Observe and assess children's progress to tailor instruction to individual needs and maintain accurate records.
- Collaborate with assistant teachers and staff to create a cohesive, supportive, and inclusive classroom culture.
- Establish and maintain positive, open communication with families regarding student progress and classroom activities.
- Ensure compliance with licensing, safety, and health regulations.
- Participate in staff meetings, trainings, and professional development opportunities.
- Contribute to a collaborative school community that reflects VHG Group's mission and values.

Qualifications

- Education: Bachelor's Degree in Early Childhood Education (required) *or* current enrollment in an approved study plan with at least 12 completed credits in Early Childhood Education.
 - Certification: NYS Early Childhood or Elementary Education Certification (strongly preferred).
 - Experience: Minimum of 2 years classroom experience with preschool-aged children in a licensed childcare or educational setting.
 - Demonstrated understanding of child development and early learning standards.
 - Strong classroom management, organizational, and communication skills.
 - Ability to create a warm, engaging, and inclusive classroom environment.
 - Collaborative mindset and enthusiasm for working in a bilingual (French-English) program.
 - Language Skills: French language proficiency highly valued but not required.
- **Minimum Education Level:** Bachelor's Degree
 - **Preferred Education Level:** NYS Teacher Certification
